Forecast for Saturday 17 Jul 2021

Weather: Skies remaining clear through Saturday morning. This may allow some isolated patches of mist and fog to develop in the valleys, but these will soon clear after dawn. A dry and fine day follows, with widespread sunshine. Some isolated fair-weather cloud developing in the afternoon. Some late sunshine in the evening, and skies remaining clear into the night.

Chance of cloud free mountain/hill tops above 600m: 100%

Visibility: Visibility possibly dropping in any early morning mist and fog patches in the valleys. Otherwise, very good visibility of surrounding areas through the day.

Meteorologist's View

It is very important to protect your skin when out walking, with widespread strong sunlight through the day. Sun cream and appropriate clothing should be worn, and adequate amounts of water should be taken to stay hydrated.
